Dear Sir/Madam,

**Fitzroy Place (Pearson Sq) – Highway Works – Mortimer Street Resurfacing**

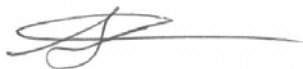

Volker Highways, acting on behalf of Sir Robert McAlpine Ltd and working in partnership with Westminster City Council, are currently undertaking improvement works to footpaths and roadways as part of the Pearson Square development, as shown on the enclosed drawing.

We are writing to inform you that as part of these works, Volker Highways will be commencing carriageway resurfacing of Mortimer Street in June 2015. The carriageway resurfacing works will be carried out over 3 consecutive weekends of 6<sup>th</sup>/7<sup>th</sup>, 13<sup>th</sup>/14<sup>th</sup> and 20<sup>th</sup>/21<sup>st</sup> June. During the works there will be temporary road closures to Mortimer Street, Riding House Street, Cleveland Street, Berners Street, Berners Mews, Nassau Street, Newman Street and Goodge Street with diversion routes signposted. A traffic management plan is enclosed for your information. The works will be organised to minimise the effects on residents and businesses and every effort will be made to maintain access wherever possible.

We apologise in advance for any inconvenience these necessary works may cause and we shall endeavour to keep disruptions to a minimum.

If you have any concerns on these proposals please do not hesitate to contact me.

Yours sincerely,

Simon Edwards  
Project Manager
