

Stage 81 Community Festival – Resident Notice Whitfield Gardens, 29 November 2025

Dear Resident,

We are writing to inform you that Stage 81 CIC, a Camden-based non-profit arts organisation, will be hosting a free community festival on Friday, 29th November 2025 at Whitfield Gardens.

The event will run from 12:00 PM to 8:00 PM and will feature live music, stand-up comedy performances by local residents and past students of our creative courses, as well as food and refreshments provided by local businesses. This celebration aims to bring together members of the community and promote access to free training and performance opportunities for young people across Camden.

Please note that Tottenham Street will be closed from 11:30 AM until 8:15 PM to ensure the safety of attendees.

We are working closely with Camden Council and local authorities to ensure all noise levels, safety measures, and licensing requirements are met. The event will include trained staff, SIA-certified security, and first aid provision.

We understand that events like these can have a temporary impact on the local area, and we thank you for your patience and understanding as we work to make it a safe and positive experience for everyone.

If you have any questions or concerns in advance of the festival, please feel free to contact us directly at:
