Proposed Filming on Fitzroy Square

Monday 23rd November 2026

Dear Resident / Businesses,

We are writing to you on behalf of CP Film Productions Ltd to inform you of some upcoming filming on Fitzroy Square.

CP Film Productions Ltd are producing a feature film set in the 1960s. Our intended filming on Fitzroy Square will involve a driving scene with period action vehicles moving along the roads.

At present, this filming is scheduled for **Friday 27th November (approximately 1000hrs – 1600hrs)**. A reduced crew may also be present in the area earlier on Friday and on the day beforehand to carry out some preparatory work.

Traffic Management & Parking Suspensions

To support our filming and ensure we operate safely, we will be implementing certain traffic management measures and suspending some local parking bays. Please find an overview of these measures below and an accompanying map overleaf.

Temporary Traffic Holds – Operating on Fitzroy Street, Conway Street and Grafton Way, we will be holding traffic when filming for up to 3 minutes at a time. A designated traffic management team will be used to conduct these holds and facilitate access outside of these times.

Pedestrian Holds – Accompanying our traffic holds, and to ensure the safety of pedestrians we will also have a team of marshals in place to implement temporary pedestrian "holds" when filming and to support / escort residents, employees and help facilitate client access at all other times.

Parking Suspensions – Parking bays on Fitzroy Street, Conway Street, Grafton Way and Warren Street will be suspended to clear modern vehicles from our filming area and situate supporting technical vehicles.

A map detailing these measures and suspensions can be found overleaf. We'd encourage residents and businesses to please review the map ahead of our filming and to get in contact should they anticipate any issues arising from our plans. If you require parking locally please get in touch using the details below and we can arrange parking at the CitiPark Clipstone Street.

Engagement

We appreciate the sensitivities of filming in a residential area and would like to take this opportunity to assure you that every effort will be taken to minimise any disturbance and ensure access to and from your homes / places of work is maintained for yourselves and for clients / customers. If you have any questions, concerns, planned works, deliveries, access requirements or parking needs during the proposed filming period, please do get in touch and we will do everything we can to accommodate you.

Feel free to contact us using the details below. Alternatively, if you would like to discuss our plans in person then please let us know and we can arrange a time to come and meet you.

Alternatively, and if you prefer, we are working with the Camden Film Office as part of our planning process who you can contact on info@camdenfilmoffice.co.uk; 0207 620 0391 (office hours) or 0791 900 2115 (24-hour emergency number)

Yours faithfully,

Ariel Murray-Simmons
